Professional Summary

Computer Science Engineering student with knowledge of Java, Python, SQL, and database management. Hands-on experience in developing applications using Java, MySQL, JDBC, Flutter, and Firebase. Familiar with data handling, problem-solving, and software development concepts.

Education

Lendi Institute of Engineering and Technology – Jonnada *2028*

Bachelor of Technology (B.Tech) in Computer Science and Engineering

Currently Pursuing — 3rd Year
Expected Graduation: 2028
CGPA: 9.31/10

Volunteering & Leadership

Hackathon Team Leader – LNIT Summit *Jonnada, Andhra Pradesh*

- Led and coordinated a team during the hackathon, managed task distribution, supported project development, and ensured timely completion of deliverables.

Hackathon Participant – NSRIT – Hackayatra *NSRIT, Visakhapatnam, Andhra Pradesh*

- Participated in a hackathon, collaborated with team members, contributed to project development, and worked on solving a real-world problem within the given timeframe.

Certifications

Data Analytics with Python – NPTEL *04/2026*

Deloitte Data Analytics Job Simulation – Deloitte / Forage *05/2026*

AWS Academy Graduate – Machine Learning Foundations – AWS Academy *12/2025*

Quantum Computing Virtual Internship – AICTE–EduSkills *03/2026*

Skills

Programming Languages: Java, Python, SQL
Databases & Backend: MySQL, JDBC, Firebase, Database Management
Data & Analytics: Data Analytics, Machine Learning
Soft Skills: Problem Solving, Team Leadership

Projects

SmartCart – Smart Supermarket Self-Checkout App

- Developed a Flutter-based mobile application for supermarket self-checkout. Implemented barcode scanning, Firebase Authentication, and Cloud Firestore for cart and user management. Integrated digital payments to provide a faster and convenient shopping experience.

SpendWise – Smart Expense Analyzer

- Developed a Java Swing desktop application for managing personal expenses and income. Used MySQL and JDBC for storing and retrieving user and transaction data. Implemented expense tracking, category-wise analysis, and graphical reports.
